Yes, I should be walking by the space on 87<sup>th</sup> St. at about 12:50 and again at 2ish. If you can meet me at either time, I will hand you two keys. We do need a certificate of additional insured from your agent and I should technically have that before you start storing stuff in there.

Hey Miki,

Just home from the first round of shopping for the new market. Any chance I can drop off a ton of stuff in our temporary storage tomorrow? Have a bunch of tables, our info booth red wagon, supplies, community booth/info booth canopies ..music umbrella set up ...etc ...I'll be around 1/2'ish thinking of cruising over after my Home Depot run ..

Best,

Cynthia
